

You can get FREE mulch delivered to your house from tree service companies, and-or you can pick up FREE mulch by yourself at various companies and city recycling centers.

1. Davey Tree Experts in Richardson dumps mulch to people for free. The manager's name is Brian Cox and he can be reached at 972 669 8980. Ask what he can do for you for a load of mulch. You might want anywhere from a whole load down to 1/4 of a typical load of mulch. Be sure to specify that you do NOT want any logs in the mulch. You might get mulch right away, or you might have to wait a while. It depends on when they have a load near you. After you request mulch, if you haven't received any after a month, call and remind them.
