

The Dallas Group, Lone Star Chapter  
Invites you to join us for our fall campout at  
**Beavers Bend State Park**  
**Friday, Oct. 18 - Sunday, Oct. 20, 2013**

**\* Reservations required by October 15 \***

Friends, families, singles, couples, campers and hikers of all ages and levels – everyone is welcome for this weekend adventure at one of Oklahoma's most scenic state parks. Great activity options, special Saturday night program with Choctaw historian and performer, *it's all included!*

**The location:** Join us to explore one of Oklahoma's most beautiful state parks. Slightly less than a four hour drive from Dallas, Beavers Bend State Park is located in the mountainous region of southeast Oklahoma along the shores of Broken Bow Lake and the Mountain Fork River. Guests traveling down the winding roads through the forests of pine and hardwood trees will find adventure, beautiful scenery and plenty of activities inside this state park. Towering timbers, crystal clear waters and rugged terrain make this park an outdoor lover's paradise. Visitors to Beavers Bend State Park will enjoy not only hiking but a multitude of other activities on land and water. Trout streams are stocked year-round and the park features two catch-and-release trophy areas. Escape into the serenity of nature and follow the Mountain Fork River as it flows from the base of Broken Bow Lake through the park below. (See <http://www.oklahomaparks.com/> for more pictures, videos

and details about Beavers Bend SP.)

**The drive / Transportation / Arrival Time:** Drive yourself or arrange a car pool. Sierra Club policy prohibits leaders from assigning or arranging car pools, but if requested we can provide information about who's willing to drive and who's looking for a ride. More details and a list of those wanting to carpool will be sent out to trip participants immediately after the reservation deadline (October 15). If you do share a ride, arrange cost-sharing for your car pool before the trip. The drive is slightly less than four hours from Dallas. Our group campsite will be available for check-in after 3 pm on Friday. Transportation and any camping and activities at the park before or after our outing are part of your own trip, not the Sierra Club's.

**The plan:** Rain or shine, the large group campsite is ours Friday and Saturday nights, Oct 18 and 19. Arrive anytime after 3pm Friday to get settled in your rustic cabin or put up your tent on the sprawling front lawn or out back in the large shaded grassy area between our cabin area and the river. (Sorry, no RVs allowed.) A 1940s, CCC built stone dining hall and bathhouse with hot showers and flush toilets are included in our group compound. Leave your worries behind and come relax, enjoy fellowship and fun in the beautiful surroundings. Pack your hiking shoes, bike, canoe, tennis racket, guitar, telescope or dust off your croquet set and lawn chair – whatever you do, join us!

**Activity Options:** Beavers Bend State Park offers an array of activities you can do on your own (see below). Better yet, sign up Friday night for Sierra Club leader led activity options for Saturday including various hikes (easy and moderate, a few hours or most of the day) and special interest hikes (birds and native plants, hike for families). We will also offer a few mini clinics for beginners wanting to know more about backpacking (feel free to bring your gear), family camping and *NEW this year - nature photography (offered by Sierran and professional photographer James Wilson)*. Sunday morning we'll offer an easy kayak on the river for those wanting to bring their boat or rent from the park. You're also free to enjoy on your own the nature trails, biking, canoeing, kayaking, fly fishing, horseback riding, golfing, tennis... any number of other fun options offered by the park. There's even a train ride through the woods for those young and young at heart.

## ***SPECIAL PROGRAM SATURDAY EVENING (included in trip price):***

Beavers Bend is known for its scenic beauty but also its rich cultural heritage. Join us outside on our back lawn at the new amphitheater for our Saturday evening program presented by Presley Byington, member of the Choctaw /Mississippi Tribe. Telling stories about his tribal history, dances and traditions, Mr. Byington has enlightened and entertained audiences from OK to the Smithsonian's new National Museum of the American Indian in Washington, DC. Mr. Byington is also know for his flute making and may treat us to a song or two! As a Wildland fire fighter with the Dept. of Agriculture Presley includes environmental issues in his presentations, with beliefs to protect and give thanks for the forest. Sounds like a true friend of the Sierra Club! In case of inclement weather the program will be held in the dining hall.

After the program, stay up just a little longer and enjoy S'mores around the stone fireplace in the dining hall. Please bring any long handled skewers you may have.

**Sunday morning** we'll offer a light breakfast of sweet rolls, juice, coffee, hot tea and hot chocolate. The organized trip ends with the 11 am check out deadline. Participants are free to stay in the park after 11 am to go for a stroll, lunch by the creek or take that last paddle on the river before heading back home.

**Cost:** Cost for the weekend is only \$35 per person (non refundable) and includes your cabin or tent space, Saturday night program, Saturday night S'mores and Sunday morning light "breakfast". Because we pay in advance and are charged per participant, the cost is the same for adults and youth age five and older, whether you're staying in a cabin or tent. The catered BBQ dinner Saturday night (see "Meals" below) is an additional \$10 per person (sorry, caterer has no youth price). Please include payment for the BBQ dinner along with your reservation if possible. If not, mail your dinner payment to the trip leader so it is received on or before the October 15 reservation deadline. No refunds after October 15. There is no park entrance fee.

**About the cabins:** Think summer camp! The cabins are a charming "rustic". The compound was built in the 1940s and used by the CCC. The cabins are a basic structure with windows and a front door that closes but

does not lock. The cabin configurations differ slightly, most with two twin beds and some bunk beds. Cabins will be shared, with participants grouped by gender or families. There's plenty of room – in past years there have been only a couple of people per cabin. Cabin assignments will be made in the order your reservation is received and posted at the dining hall beginning at 3pm on Friday. Please, no changes in your cabin assignments without prior approval of the trip leader.

The beds in the cabins have a mattress and bunks have a vinyl covered mat. In addition to your sleeping bag or sheets/blankets, you're welcome to bring your own camping pad for additional comfort. You may also want to bring an extra pillowcase or sheet and a few thumb tacks to cover the windows since there are no curtains or blinds. Everyone will

have use of the dining hall (including tables and chairs) throughout our weekend. No food is allowed in the cabins but it can be stored in the dining hall kitchen (see below).

**Meals / food:** All meals are on your own except the Saturday night S'mores and the Sunday light breakfast which are included in your reservation fee. Want to relax and not cook Saturday night – no worries, a complete catered BBQ dinner for Saturday night is available for an additional \$10 charge. The catered dinner includes brisket, chicken and smoked sausage, baked potato, baked beans, rolls and iced tea. Cost must be prepaid – no "walk ups". Sorry, but the caterer does not have a kids or vegetarian meal. There is a large walk-in refrigerator in the dining hall kitchen where you can store food, just put it in a sealed container and mark it with your name. Cooking outside on the group site grounds on a canister or contained flame stove is fine. We will also have some availability of the ovens and stove tops in the dining hall kitchen, provided you bring supplies and clean up after yourself. If you want to cook in the dining hall kitchen, please contact the trip leader by October 15 for more information and details.

**Reservations / Forms (required):** Reservations will be accepted until October 15 or space fills. To make a reservation, each participant must complete and sign the two forms at the end of this trip description (Participant Form and Release of Liability). Youth are welcome but must be accompanied by a designated adult accompanying them at all times. Parents or Legal Guardians need to sign and submit the forms on behalf

of any minors. If you are bringing a minor child, please contact the trip leader to obtain a Medical Treatment Authorization & Consent form which must also be provided for all youth participants. Mail all forms (originals, no copies or faxes) and your check payable to Dallas Sierra Club to Trip Leader Liz Wheelan, 6800 Del Norte Lane, # 204, Dallas, 75225. Please contact the trip leader if you do not receive an email confirming your reservation

after a week of when it was mailed. *It is your responsibility to notify the trip leader no later than the day before the trip if your medical information or circumstances change after you send in your trip forms.*

CST 2087766-40. Registration as a seller of travel does not constitute approval by the State of California. (California has a law called the California "Seller of Travel" Law. Since the Sierra Club is a California non-profit corporation, we are required to post this notice.)

**Gear:** In keeping with Sierra Club ethics, *everyone is responsible for bringing their own reusable plate, bowl, cup/mug, utensils and any other serving pieces you need.* You may wash your dishes in the dining hall kitchen.

This outing offers your choice of camping in your own tent or staying in a cabin, hiking with our group or on your own and/or whatever other activities offered by the park you want to do. A day pack with your ten essentials will suffice for hiking. Bring a

full backpack if you want to practice for a future trip. Each person is responsible for bringing his or her own equipment and food. We offer gear guidelines here, but you're invited to contact the trip leader before the trip if you have any questions about gear. Bring a tent, ground cloth, ground pad for comfort and sleeping bag if you're tent camping, Those in cabins should bring a sleeping bag or sheets and blankets, and a pillow. An extra pad for comfort is nice. Cabins will not have AC or heat so plan accordingly. Everyone should bring water containers sufficient for hiking, headlamp or flashlight, garbage bag, and your personal first-aid, toiletries and shower items, including moleskin for possible blisters. Bring layers of clothing. Normal October temperatures are typically 70 degrees during the day and 50 during the night but record extremes vary by about fifteen degrees. Rain is always possible, so bring rain gear. Don't forget a hat, sunscreen, sunglasses, bug spray, and swimsuit and towel if you plan to swim. Activities other than hikes led by Dallas Sierra Club leaders are NOT part of the outing and would be at your own risk. Lawn chairs and outdoor games are all welcome. The group site has a large lawn and a volley ball net. There are also tennis courts and a basketball court nearby (all BYO rackets and balls.) There will also be tables and chairs available in the dining hall for anyone wanting to bring board and card games.

**Please note: RVS, PETS, FIREARMS, and SMOKING are NOT ALLOWED** for safety and in consideration of others. **NO MUSIC unless with ear buds so it's not heard by others around you.**

Please limit cell phone calls and make them away from others.

**Leave the batteries at home and enjoy nature!** Public

consumption of alcohol is illegal in State parks. Participants are expected to be respectful of others and adhere to quiet hours (10 pm – 7 am). There is very limited cell phone coverage at the park. There is a phone at the park/lodge office in case of

emergency and park rangers are in the park and on duty 24/7. Low-impact wilderness ethics are expected of all participants. Dependent on weather and park conditions, a small campfire may be allowed in the designated fire ring. Depending on the weather, on Saturday evening the trip leader will provide a small fire in the outdoor fireplace or dining hall fireplace for everyone to roast marshmallows and enjoy S'mores (what's camping without chocolate and roasted melloWS)! There is a restaurant and small supply store down the road from our group site (a few groceries, toiletries, ice, firewood, etc.). There is a larger convenience store across from the park entrance. Broken Bow, OK is about 12 miles/20 minute drive south of the park entrance and has gas stations, grocery stores and the usual small town amenities.

Need outdoor experience - not on this trip! Campers of all levels will enjoy this park. You're welcome to participate in as many or as few activities as you want. Hikers in normal good health, from beginners to veterans will find suitable hikes and activities at the park provided they bring appropriate footwear (closed toe

Beautiful "back yard" area near river for tents.

tennis shoes or boots are best, not flip flops, slip ons or flats), clothing appropriate for the weather and skin protection. If uncertain about preparedness, discuss your personal situation and any other questions early with the trip leader. The trip leaders reserve the right to determine whether a hike is suitable for a prospective participant, based on equipment, general health or other factors.

**A word of caution** - Like any outdoor venue, the Park has various creepy crawlers. Participants should always stay alert and aware of their surroundings, make “soft” noise while hiking and keep tent and cabin doors closed. Do not leave shoes or other items on the ground unattended.

**SIERRA CLUB DOs and DON'TS for all Club outings** – Participants agree to answer questions on their Participant form honestly and completely. Trip leaders are not medical professionals, even though trained in basic and/or wilderness first aid. Participants are encouraged to bring personal first aid supplies and a basic knowledge of how to deal with medical emergencies. If you have medical training, please let your leader know so he or she can use your expertise in an emergency. Inform leaders if you have a medical condition that could require special treatment in an emergency, such as controlled diabetes, heart problems, allergic reactions, etc. Carry necessary medications for these conditions on your person and let the leader know where you store them. If you're extremely allergic to bee stings, poison ivy or anything else that we may encounter, ask your doctor if you should be carrying an antidote kit. If you're lost without your corrective lenses, bring a spare. You could be hiking in an area where rescue may be time-consuming and the nearest hospital is several miles away.

The trip leaders are in charge of the trip program and reserve the right to change the planned hikes due to group capabilities, weather or safety concerns. It's important for group safety to follow the leaders' directions. By failing to obey the leader's instructions, you assume the risks and consequences that result.

While hiking, the group should stay together to minimize the chances of someone getting lost or an injured person going unaided. If you want to leave the led group (the leader and those participants following the leader) for separate day hiking, you do so at your own risk. If you choose to take that risk, please don't hike alone. If you leave the led group, you should hike in parties of at least three people, and tell the leader your planned route and time of return. If someone is injured while away from the led group, leave one person and all of the party's food and warm clothing with the injured person, and send all of the others for help at either the trailhead or the base camp. Participants who leave the led group against leader advice will be asked to sign out of the trip, and are no longer part of the outing. Don't expect the group or the leader to do more than notify public authorities if you don't return. The leader's responsibility is to those who are following him or her, not to those who choose to follow a different route and put themselves at risk.

For any hike, if you get lost, stop on a trail and wait to be found; don't wander aimlessly. When day hiking, bring a jacket, rain gear, hat, water, food, map, compass, light, first-aid kit, matches and whistle. If you twist an ankle or get lost, these essentials could make your lost time more comfortable and even save your life if you end up spending the night away from camp.

Leaders are not allowed to search for missing persons at night, and cannot put others in the group at risk to look for a lost participant. When leaving camp even for a moment, especially at night, be careful to not get disoriented and lose your way back. This could create a life-threatening situation.

The Dallas Group of the Sierra Club has conducted outings for over thirty years without serious injuries. If you're in reasonably good physical condition and select a hike or other activities matching your abilities and don't do anything foolish, this trip will be reasonably safe. The above cautions and disclosures of risk are intended to give you the information necessary to make an informed decision about whether you should participate. Hopefully, they will also caution those who do participate to be safe and careful; so we can all have a good time.

**Questions?** The only dumb questions are those not asked so feel free to contact the trip leader - Liz Wheelan, [Lizwico@aol.com](mailto:Lizwico@aol.com), 214.368.2306.

***We look forward to seeing you at Beavers Bend!***

<b>SIERRA CLUB – Dallas Group</b>	<b>Outing Date(s):    October 18 – 20, 2013</b>
<b>Outing Location: Beavers Bend State Park (Oklahoma)</b>	<b>Trip Leader:            Liz Wheelan</b>

**SIERRA CLUB Acknowledgment of Outing Member Responsibility,  
Express Assumption of Risk and Release of Liability**

I understand that during my participation in this Sierra Club Outing, I may be exposed to a variety of hazards and risks, foreseen or unforeseen, which are inherent in each Outing and cannot be eliminated without destroying the unique character of the Outing. These inherent risks include, but are not limited to, the dangers of serious personal injury, property damage, and death ("Injuries and Damages") from exposure to the hazards of travel and the Sierra Club has not tried to contradict or minimize my understanding of these risks. I know that Injuries and Damages can occur by natural causes or activities of other persons, animals, trip members, trip leaders and assistants or third parties, either as a result of negligence or because of other reasons. I understand that risks of such Injuries and Damages are involved in adventure travel such as Sierra Club Outings and I appreciate that I may have to exercise extra care for my own person and for others around me in the face of such hazards. I further understand that on this Outing there may not be rescue or medical facilities or expertise necessary to deal with the Injuries and Damages to which I may be exposed.

In consideration for my acceptance as a participant on this Outing, and the services and amenities to be provided by the Sierra Club in connection with the Outing, I confirm my understanding that:

- I have read any rules and conditions applicable to the Outing made available to me; I will pay any costs and fees for the Outing; and I acknowledge my participation is at the discretion of the leader.
- The Outing officially begins and ends at the location(s) designated by the Sierra Club. The Outing does not include carpooling, transportation, or transit to and from the Outing, and I am personally responsible for all risks associated with this travel. This does not apply to transportation provided by the Sierra Club during the Outing.
- If I decide to leave early and not to complete the Outing as planned, I assume all risks inherent in my decision to leave and waive all liability against the Sierra Club arising from that decision. Likewise, if the leader has concluded the Outing, and I decide to go forward without the leader, I assume all risks inherent in my decision to go forward and waive all liability against the Sierra Club arising from that decision.
- This Agreement is intended to be as broad and inclusive as is permitted by law. If any provision or any part of any provision of this Agreement is held to be invalid or legally unenforceable for any reason, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.
- To the fullest extent allowed by law, I agree to **WAIVE, DISCHARGE CLAIMS, AND RELEASE FROM LIABILITY** the Sierra Club, its officers, directors, employees, agents, and leaders from any and all liability on account of, or in any way resulting from Injuries and Damages, even if caused by negligence of the Sierra Club its officers, directors, employees, agents, and leaders, in any way connected with this Outing. I further agree to **HOLD HARMLESS** the Sierra Club, its officers, directors, employees, agents, and leaders from any claims, damages, injuries or losses caused by my own negligence while a participant on the outing. I understand and intend that this assumption of risk and release is binding upon my heirs, executors, administrators and assigns, and includes any minors accompanying me on the Outing.
- I have read this document in its entirety and I freely and voluntarily assume all risks of such Injuries and Damages and notwithstanding such risks, I agree to participate in the Outing.
